

BONASTENT[®]

for EUS-Guided Drainage

Effective, Safe and Innovative Stent Design

BONASTENT[®] AL Stent

for Gallbladder Drainage

Standard Sci•Tech Inc.

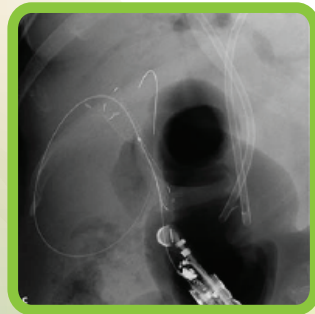

BONASTENT® AL Stent

for Gallbladder Drainage

Features

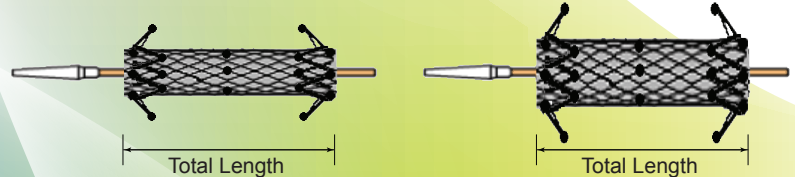

- Two big flanges at both ends to prevent stent migration
- The most thin Delivery System (8Fr diameter) for easy maneuverability in gallbladder drainage
- Proven long-term clinical effectiveness and safety (published on Gastrointestinal Endoscopy 2011 and Endoscopy 2014)

Procedure

Transgastric/Transduodenal Gallbladder Drainage
